

PRODUCT SPECIFICATION SHEET

Genesis LED rounded corner mirror Collection

MRE32436

Dimension	36"L x 24"W x 1.33"H
Product Weight	21.1 lbs
Finish	White Frame
Mount type	Wall mounted
Shape	Rectangle
Orientation	Horizontal and Vertical
Framed	Frameless
Material Details	Metal & Glass
Power source type	Hardwired
Lighted	Yes, Front-lit
Bulb Type	LED strip
Magnification	No
Initial Lumens	2200
Delivered Lumens	660
LED Color Temperature	4200K+6400K+3000K
Wattage	22W
Dimmable (Yes/No)	Yes
Anti-Fog Feature (Yes/No)	Yes
Touch Sensor (Yes/No)	Yes
Input Voltage	110V-120V
IP Rating	44
Certifications	ETL Approved
Installation Hardware Included	Yes, 2 french cleats
Warranty period	1 Year Limited
Shipment Type	Small Parcel

Product Description

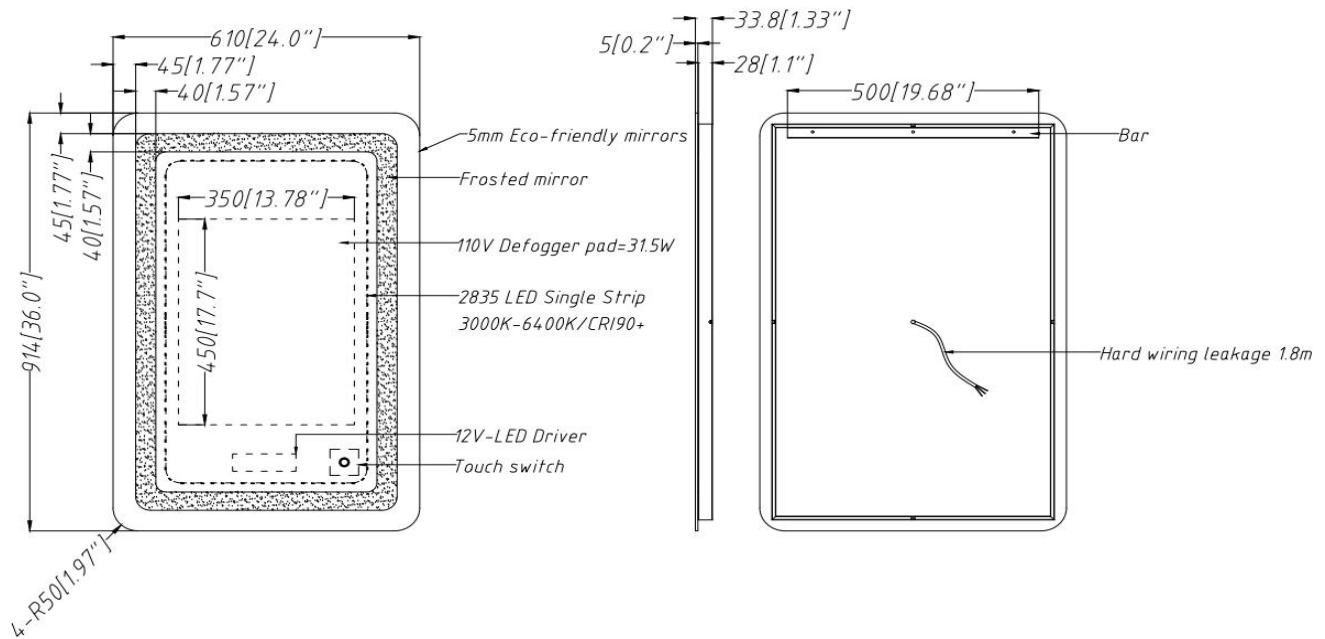

The Genesis LED hardwired bathroom mirror is the most versatile and aesthetically pleasing for your space. Its bright white/warm white/cool white light is diffused behind an inset of frosted glass, illuminating an even glow. With a touch sensor feature, three different color options can be optimized for your mood. This feature ensures that the mirror provides optimal lighting for various tasks such as applying makeup or shaving. Comes equipped with a dimmer, a truly versatile led mirror. Also includes an anti-fog feature that helps maintain a clear view by quickly dissipating any condensation that forms on the mirror. These mirrors can be mounted both vertically or horizontal, perfect for over the bathroom vanity. Mounting the hardwire mirror is fairly easy, just install directly to a wall junction box. No need to decide which led color temperature to purchase, this mirror has it all, it's perfect for your modern bathroom needs!

Features

- * features three color temperature settings: warm light (3000K), cool light (4200K) and day light (6400K); long press for dimming.
- * The led mirror features a built-in touch sensor that allows users to control various functions and settings such as adjusting lighting, changing color
- * Equipped with a built in defogger to reduce the mirror from steaming up and allows for clear visibility.
- * the damp ETL ETL rated hardwire mirror has 22W with 660 lumens, and 90 CRI can be hung either vertically or horizontally with the provided metal hanging cleat
- * The soft corner led mirror utilizes energy-efficient led lighting, reducing power consumption.
- * backlit mirror with IP44 rating and provides 30,000 hours of life
- * The mirror has a memory function when turned on, it will restore the last setting
