

PRODUCT SPECIFICATION SHEET

Riven LED Mirror Collection

MRE82440

Dimension	W24"*H40"*E1.5"
Product Weight	22.44 LBS
Finish	White Frame
Mount type	Wall mounted
Shape	Rectangle
Orientation	Horizontal and Vertical
Framed	Frameless
Material Details	Iron & Glass
Power source type	Hardwired
Lighted	Yes, Front-lit and back-lit
Bulb Type	LED strip
Magnification	No
Initial Lumens	5000
Delivered Lumens	4500
LED Color Temperature	4200K+6400K+3000K
Wattage	54W
Dimmable (Yes/No)	Yes
Anti-Fog Feature (Yes/No)	Yes
Touch Sensor (Yes/No)	Yes
Input Voltage	110V-120V
IP Rating	20
Certifications	UL Approved
Installation Hardware Included	Yes, 2 french cleats
Warranty period	1 Year Limited
Shipment Type	Small Parcel

Product Description

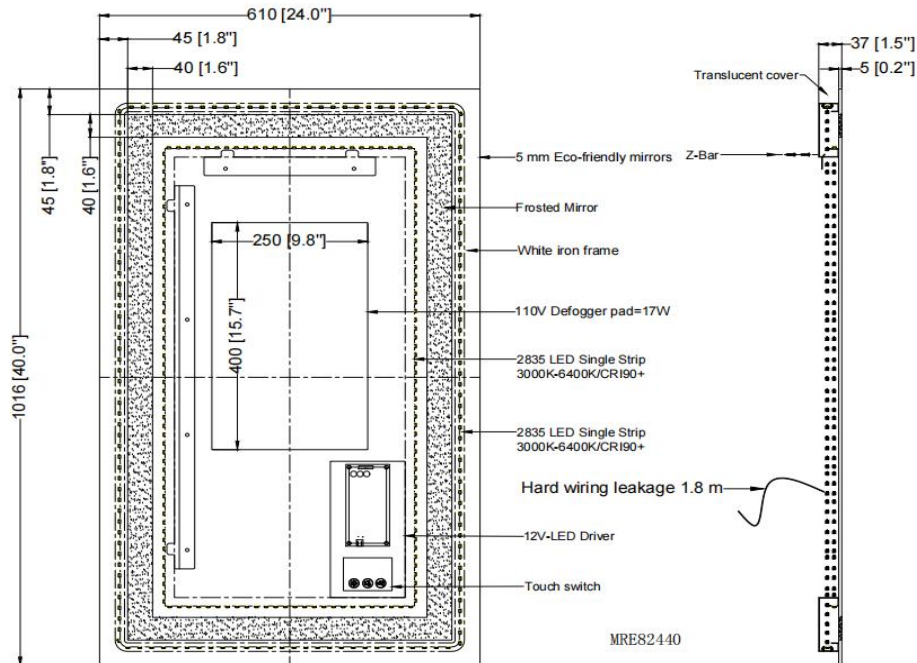

Redefine your daily routine with this ultra-modern LED mirror, designed to offer the perfect blend of style and functionality. Featuring both front and back illumination, this mirror provides a soft yet powerful glow that enhances your space with a luxurious ambiance. The adjustable color temperature (ranging from 3000K to 6400K) allows you to customize the warmth or coolness of your lighting, while the dimmable function lets you create the perfect brightness level. With a 90 CRI rating, this mirror ensures accurate color representation, making it perfect for grooming, makeup application, or daily self-care. The built-in defogger keeps your reflection clear and can be turned on or off at your convenience. Thanks to the touch sensor controls, adjusting your mirror's settings is effortless, and the memory function saves your last preferred settings for a seamless experience. Designed for versatile installation, this mirror can be hung vertically or horizontally using the included French cleats, making it a stunning and adaptable addition to any bathroom or vanity. It can be hardwired or connected to a wall switch for your convenience. Elevate your space with a mirror that not only reflects your image but also enhances your everyday routine with smart, modern lighting.

Features

- Elevate your space with a sophisticated LED mirror featuring customizable lighting and a built-in defogger for a crystal-clear reflection every time.
- Enjoy precision lighting with front and back illumination, adjustable color temperatures, and a memory function that keeps your perfect settings intact.
- This dimmable LED mirror seamlessly blends elegance and functionality, with touch controls for effortless customization and a sleek, modern design.
- Say goodbye to fogged-up mirrors. The built-in defogger ensures a consistently clear view, activated with a single touch.
- With adjustable color temperatures (3000K, 4200K, 6400K), you can create the perfect ambiance—warm and cozy or bright and energizing.
- Whether hardwired or connected to a wall switch, this mirror adapts to your needs with seamless dimming and memory functions.
- Boasting an impressive 4500 lumens and 54W power, this mirror delivers optimal illumination for all your beauty and grooming needs.
- Hang it vertically or horizontally to suit your space. With French cleats for easy installation, your dream bathroom setup is just a step away.
