## Standard Colors:

## Standard Features:

- This universal base can be installed in an alcove and a left or right corner. Add-on flanges are included, but not pre-installed for ultimate installation flexibility
- Versatile base designed to be installed either floor-mounted with a low threshold or recessed in the floor for an even lower threshold to accommodate your needs
- The integrated stone texture provides an anti-slip design for added safety
- Designed with a color match hidden drain plate for a sleek and seamless look
- Durable one-piece base construction with molded reinforcement for rock-solid strength and lasting performance

## Product characteristics:

- Low Threshold
- Textured Bottom Surface
- Easy to Clean

## Code Compliant:
