## SK-366072 Swanstone Shower Wall Kit

Manufactured from Swanstone solid surface

(See page 2 for detailed information.)

Recommended for high-use traffic areas and commercial surfaces.

WARRANTY  
Limited Lifetime – Residential  
Limited 30-year – Commercial

### FEATURES

- Reinforced solid surface means color and texture run all the way through and cannot wear away.
- Will not mold or mildew, no grout to clean.
- Ideal for remodeling, panels glue up over existing surface.
- Coordinates with other Swanstone bath products.
- A complete kit with everything you need to design your shower.
- Wall panels are easily trimmed to fit shower applications.
- Heat resistant—walls can handle steamer units.
- Compression molding means superior durability.

- The SK-366072 is a five piece shower wall panel system with a smooth surface.

### Dimensions:

36 x 60 x 72 in.

### Weight:

185 lbs

### MAINTENANCE AND CLEANING INFORMATION

Clean regularly with common household liquid cleaners and rinse within five minutes of application. Occasional scrubbing with abrasive cleaners ensures that the original luster will be maintained. Do not use "leave on" cleaning products, such as automatic spray shower cleaners. Prolonged contact with harsh chemicals could have an adverse reaction over time and discolor surfaces. Do not use cleaning agents that caution use on acrylic, polyester or plastics.
