

Active Pull-Out Faucet - ACT-PO-CHA | 115.0656.852

12.25-inch Single Handle Pull-Out Faucet in Champagne. Our Active faucets offer the best of both worlds — design and sustainability. Available in a range of stunning contemporary finishes, the appeal is obvious. The secret to this performance is the environmentally beneficial ECO cartridge, which is designed to limit both the flow and temperature of the water. The laminar aerator ensures the faucet delivers a crystal clear, non-splashing water stream, with very little noise. A dual function spray head delivers a more powerful stream thanks to the needle spray used. ADA Compliant. This model replaces the FFPS5805CHA Faucet
